

EV CHARGING STATIONS

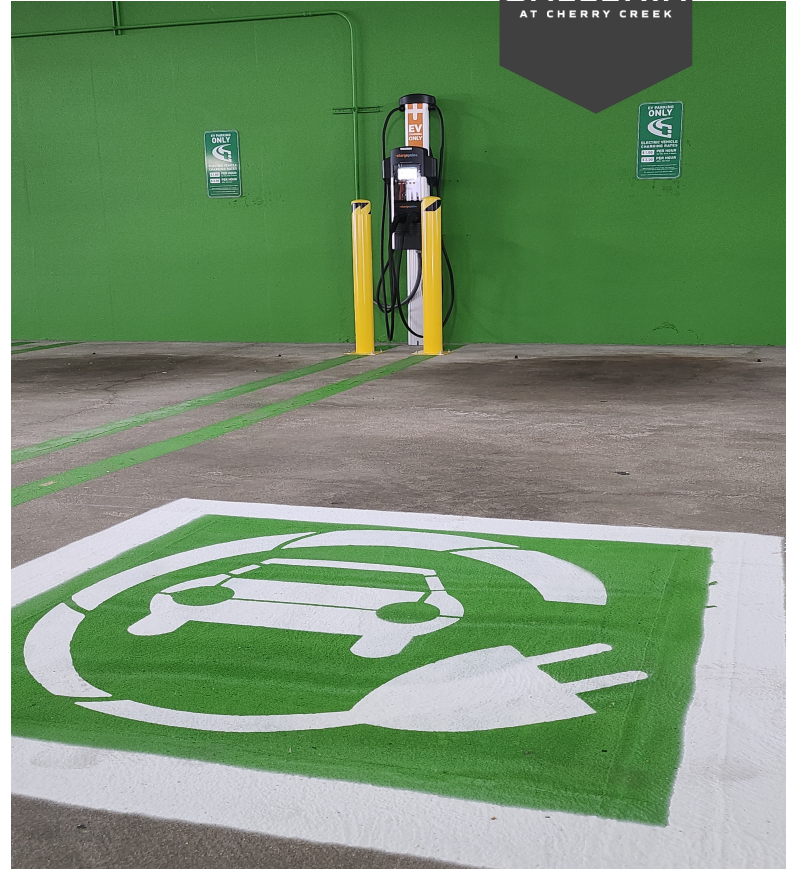

Our EV Charging Stations are available for Tenant and Visitor use! Just download the ChargePoint app to get started!

CHARGING RATES:

- \$1.00 per hour for the first four (4) hours
- \$3.00 per hour after fourth hour

INFO:

- Located on A-Level of the Garage
- Powered by ChargePoint – Sign up for an account today! (See Pg. 2)
- The four (4) spaces are available on a first come, first served basis.
- Vehicles parked in these spaces must be actively charging and must be relocated once charging is complete.

ChargePoint is one of the largest networks of electric vehicle (EV) charging stations in the world. They have over 100,000 charging spots in North America and Europe. ChargePoint stations are designed to be compatible with any EV, including Tesla vehicles.

Get the ChargePoint App

The easiest way to find available stations, start charging and get updates when your EV is fully charged.

Find Available Stations

See which stations are available to charge your EV

Start Charging

Just hold your phone by the card reader on the station

Get Notified

Receive notifications when your car is done charging, or when a station opens up

See Station Pictures

Easily find stations with photos submitted by other drivers

Read Driver Tips

Get helpful advice from other drivers about charging at a particular station

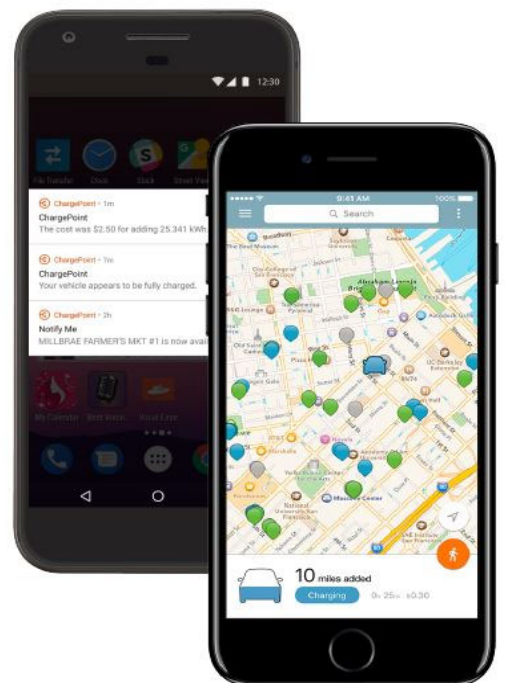

Connect ChargePoint Home

Schedule charging, set reminders, get notifications and track usage

Plays Well with Others

Works with Amazon Alexa, Android Auto, Apple CarPlay, Apple Watch and Wear OS by Google

Be sure to check out the ChargePoint Drivers FAQ [here](#) for more information!
